The Best Crypto Currency

Welcome To MichiCoin

MichiCoin is a cryptocurrency that aims to provide support to cat shelters.

Through a specific wallet, a percentage of purchases and sales made by investors is allocated to help cats and shelters that require support. In addition, MichiCoin will offer an exciting ecosystem in which investors can earn and spend MichiCoin tokens, contributing even more to our charitable cause.

Join our community and be part of the positive change for our adorable feline friends.

MichiCoin

Our Mission

Is to provide support to cat shelters and promote cat adoption worldwide. Through a specific wallet, a percentage of purchases and sales made by investors is allocated to help cats and shelters that require support. In addition, Michicoin offers an exciting ecosystem in which investors can earn and spend Michicoin tokens, contributing even more to our charitable cause. We strive to be leaders in the cryptocurrency industry and make a positive difference in the lives of our feline friends

"Recent studies have shown that stray cats have a life expectancy of only 3 years. By saving a cat from the street, you not only give them a better life but also give them the opportunity to live longer and be happy."

" If you find yourself in the situation of finding a stray cat and need help taking it to the vet or if you are a shelter for cats and need economic support, food or medical help, do not hesitate to contact us. We are here to help you."
